“ Mom, my heart has been aching every minute of the day since you left this earth. I hope that you knew how much I loved you. You were the best mom a daughter could ever have. You showed me patience, kindness and most of all love. You are now with dad again. Please give him a hug a kiss from "middle kid". God needed a beautiful flower in his garden and he got the best. Keep an eye on us my guardian angel. Everyday is one day closer to seeing you again. Love you with all of my heart.

“ I absolutely loved Libby! I really got to know her through Curves. We quickly became friends, especially connecting with Helen Arnold and Dave and Pat Arnold, her relatives and very good friends of ours. We used to send cute things to each other through email and kept in touch that way. She was one very special lady. God bless her family as they mourn their loss.
