“ I taught middle school English to Don, Mike, and Liz. I got a big kick out of all three of those fun loving Tilleys! Liz was a real sweetie, very warm smile, and eyes that danced. I am so very sorry for your loss, it makes my heart sad too. God bless and keep you in His care through these difficult times. May the peace of God eventually heal your whole family's profound hurt.##imported-begin##Diane Georgakis##imported-end##

“ I can not tell you how much fun Liz was to have in class. She was always happy and smiling, just a fun kid to have in class. I can still here her voice saying "Mrs.Klockow" when I would say something funny to her. I also had the pleasure to have her in Pioneerz. Liz was an out standing leader. Her willingness to stand for what was right has to make you proud. My heart was very heavy when I was told of her passing. Please know you raised a beautiful child of God.

You will be in my prayers.##imported-begin##Nancy

Hello, I didn't know Elizabeth, but I met her the night of her accident. My family and I were traveling down I-65 and noticed a car in the middle of the embankment. I ran down to the car with other bystanders and truck drivers. I saw Elizabeth. I saw her name tag from the hospital and being a minister, I began to pray with her. I spoke to her and urged her to keep breathing. Once the ambulances came, My family and I left and continued to pray for her as we traveled to South Carolina. The next day we found out she had passed. My wife and I often talk about the beautiful young lady we met that day. Even though only for a brief minute, the incounter changed our lives. To the family, one year later..please know that your daughter, sister, niece, cousin, and friend will never be forgotten. Her face is eched into my memory and she is thought of often. God bless you!
