“ I had the opportunity of meeting Evelyn about 47 years ago, she was a neighbor to my Sis. Doris. Our children were small at the time, and played with each other. So we became close friends. All I want to say. I will miss her, and she was a beautiful lady inside and out. Very special. I admired her courage through her suffering with cancer. She always kept her chin up, ready to fight, not willing to give up. Will be in deep prayer for the family at this time. MAY GOD BLESS AND COMFORT THEM.

“ They say to share a memory but I don't think they mean my life story. Which one would be the most important to share...they all are special to me. Life isn't going to be the same without you being here. I know that's how life is suppose to be but right now it doesn't seem fair to me. I know I'll see you again and I won't rush it, I promise. Phil must have got that flower garden ready for with all your favorites....Heaven just got another angel .I love you Auntie R.I.P. until we're together again?

We were so saddened to hear about Evelyn. The last time we saw her was at a Baby Shower at Selina's for Joey's wife. It's hard to understand why loved ones are taken from us but there is comfort in knowing she will always be with you in your heart. She is walking with the Angels and we all know who they are. We are praying for you Lee, and Tammy and Selina and all you wonderful people who loved this special Lady.
