“ Dorothy, Pam and Curt,
I sure wish I could be with you all at this time. I hope you know how much Floyd meant to us, such a good heart and always willing to give of himself. I considered him as the brother I didn't have. Through the years we have had some fun times, fishing, camping and do you remember the summer we rode the coaster wagon down the hill in the cow pasture. I thank the Lord for giving me the opportunity to be able to stop for at least short visits while on trips delivering trailers. As I told him when he called one evening, I wish I could just come down and keep him company as he sat in his new recliner, he replied he would not be very good company because he would fall asleep, to which I said, the would be fine just as long as I could be there. Now he is resting in peace keeping company with his Lord. We will keep all of you in our thoughts and prayers!

“ Floyd was one of my favorite people to see when he was around our home town area visiting, always making us laugh and was always there for our family through thick and thin. The Lord is a pretty lucky person to now have him in heaven with him and I hope that he is at peace now. Thinking and praying for the Lenz family -
