“ *The Nalley family extends our deepest sympathy to Martha and all of the children and other relatives and friends of Gary. Watching the video of his life and his sincere appreciation of family made us think of the moments we have been able to share together since our son, Alan, joined your family. We will always remember the smiles and laughs that Gary had in being a Grandfather. Katie was always able to bring that special smile to Gary's face.*

May the good lord be with all of us in remembering Gary and he will be missed by everyone.##imported-begin##Carlin & Nancy Nalley##imported-end##
