“ I worked with gal for 13 years and in all that time she never had a cross word to say about anyway. She always had a smile on her face and a willingness to help not because it was her job but because that is who Gayle was from the inside out. It seemed for every holiday the reception area would explode with decorations and you couldn't help but smile. Gayle is, was and always will one of the classiest ladies I have had the honor of meeting. I will miss you Gayle.

Gayle

I will miss your smile

I will miss your love of family - our conversations on children, grandchildren, great grandchildren

I will miss your dedication, your ability to multi-task, so many years of being our office secretary at Lakeshore CBO - you would perform fantastically

I will miss your enjoyment of spring, summer, fall, winter, many holiday decorations over the years

I will miss your sharing of common struggles, grief and pain

I am loving that you are now in a much better place and are smiling and enjoying your perfect life that we are wishing for

“ I shall never forget the times sister Gayle welcomed me into her home and always treated me like family. We had so much fun when I came up for church services at East Chicago, and she and David were always wonderful hosts to all visitors who came. Sister Gayle left a wonderful testimony for she loved the Lord with all her heart and now is at peace and rest with no pain and suffering and what a wonderful reunion when David greeted her as she entered! Praise the Lord! I shall miss my sister sorely and look forward to the day when we are all reunited again. To her loving family, you all are precious to me and I pray for you constantly.

“ *Gayle and I grew up as children together with her little sister Carla. We went to church together. We loved to sing and she loved the piano. When I visited her in East Chicago we would always go down in her dad's church and sing. I loved the times we spent together as children. I love the fact that someday soon we will be together again. My sister forever How Wonderful is that ? May God be praised! Thank you Lord for your many blessings on me.*
