“ George,

I can just see your smile now every time you'd see me walk into your room at CCV, or the eye roll you'd give me when I'd say I'll be back to give you a hard time. It was the first stop I'd make every day to see you, Judy and sue! I know the end wasn't easy but boy did you fight like hell. You became more than a patient to me, you became family. Sending you all the biggest and warmest hugs.

*Sincerely,
Skye*
