Bob and I are so sorry. We did not know. It just breaks our hearts we could not be with you Len. Such a wonderful wife you had. You made the perfect couple and you can always keep that in your heart. We will continue to pray for you and the family. So close ..first Museta and then Georgia. Just hard to put it all together. Len..you know where we live. Bob would be tickled to see you whenever you are in the mood and if he's not working, please stop by.

“ I have fond memories of Melanie's mom as she was always a 'cool looking' 'hip' mom with beautiful long hair. She hosted a slumber party or two for Melanie when we were in elementary school and I thought it was so neat that she and Melanie were so close and seemed so alike. Honestly, I was envious. RIP lovely lady. To all the family, my heart felt condolences.

“ *I remember Aunt Georgia babysitting for us while she held baby Melanie on her lap. Melanie was a beautiful little doll as was Aunt Georgia when she was a child. I helped Aunt Georgia with her garage sale in the basement of their home in Griffith. She made me feel loved and special. I enjoyed spending time with her as did my Grandmother, Margaret Barnett. Aunt Georgia was a wonderful wife, mother and grandmother. She raised an amazing daughter who is one of the sweetest women I know.*
