“ *My sympathies to Jerry's family. Jerry was an amazing and wonderful man. My family has many great memories - the best being when Jerry took my Mom to her class reunion (when her "date" canceled), they danced and enjoyed the "old" music all night.*

“ *Heather, so sad to hear of Jerry's passing. Was glad to have had the chance to meet you at the Mullikin family reunion a in 2010. Our thoughts and prayers stay with you and your kids during this difficult time. Hold the memories of him close to your heart and always share the stories to keep his spirit alive. Know that my dad, his uncle Larry, will be there with his mom, Sandy, waiting to welcome him. Love to you all.*

“ Jerry was an amazing man with a gift I can't begin to thank him for. He gave me closure on my grandmother death that I would of never of gotten if it weren't for him. He got me through some of my darkest hours and showed me how to look at life differently. For that I will be ever grateful meeting him 5 years ago. I just wish I had stayed more in touch with him in the past. My deepest sympathy to his family. May through time your hearts heel.
