“ *Glenna basically raised my brother and I for 8 years after our parents divorce. She was an amazing woman who was stern and loving in the same breath. I've missed her dearly. I wish my children had gotten the chance to meet her. My thoughts and prayers are with her and her family.*

“ *Grandma was so generous and loving when we would visit her house in Demotte. She always had desserts ready for us as soon as we arrived and was so excited to see us. I loved watching her do her crossword puzzles and playing card games with her. She was so fun to be around and I will miss her kind heart.*

“ *Gramma was always so generous to our family and made every kind gesture she could. When we wanted something from the grocery store, she would be quick to get it for us. She'd take care of her dog Sparkie so well. She would always cheer us up and make us happy.*

“ Glenna was always so good to my wife, my kids, and me with every trip we made to visit her in DeMotte. She cooked meals for us at every breakfast, lunch, and dinner. She made homemade Chex mix and other snacks for us to eat throughout the day. She also played games with Kristin and Davis and told us stories of the old days. It was always a wonderful time at grandmas house!
