“ Mandy, my heart breaks for you and your family. The sudden loss of your beautiful mother, Gloria, is so deeply heartbreaking. She was clearly a woman who loved her family dearly, and the love she poured into all of you will continue to live on.

Please know that you are not alone in these difficult days. I am holding you, Tom, Clayton, Jess (and the littles), Connor, Lauren, your brothers and their families in my prayers. May God surround you all with His comfort and peace as you walk through this time of grief.

Gloria's life mattered, and the love that she gave will never be lost. It lives on in each of you.

With love and prayers,  
Lori

“ I was terribly saddened to hear that Gloria had died. She was a great friend beginning in junior high, and one of my favorite people even though we had little contact after high school. My favorite memory is being stranded in a snow storm on the way to the basketball sectionals in Kentland. Gloria and I sat in the backseat with her sister Marlene, a cheerleader who had to get to the game! Her dad was driving, and her mom sat in the front with him. It was slightly scary since we couldn't get out of the snowdrift, and didn't know when we'd be rescued. But we still laughed and had a good time, making the best of being cold and hungry. Gloria was beautiful inside and out, always full of fun, and I can still hear the joy in her hearty laugh. My condolences to the family at this terrible loss.
