“ Grace was my dad's cousin and they corresponded until his sudden death in 2008. I have photos of her from the 1940's. She was a lovely lady.

“ Here we are over 2 years later and I miss her everyday. Hope looks at her picture and says "that's my Granny Babb and me." :) I thank my grandma for always taking care of me and teaching me how to live. I would not be who I am today without her love and guidance. Thank the Lord for giving her to me! :) <3

“ When a loved one dies, it is such a sad time for the family. It is my hope as a volunteer in the community to bring comfort to the family. Something that has comforted me is the thought in John 11:11 where Jesus likens death to sleep. Thinking of our loved ones as in a deep sleep can bring us peace of mind and heart. Jesus also gave us a sure hope for the future when he said, "Do not marvel at this, because all those in the memorial tombs will hear his voice and come out..." What a wonderful promise and sure future for those asleep in death. They will receive a resurrection into a new world where there will be no more suffering or dying. Please accept our deepest sympathy during this time of loss.##imported-begin##Jackie##imported-end##
