“ Hans was a great guy. Him and his wife will be missed. He fixed many recks I had gotten into. He painted my dad's Ford 1930 modle A and did a great job doing it. He always did a great job and loved what he did cause it showed inhis work. He always had a smile on his face. Heaven has two great Angels up there. RIP

“ I will never forget the horror the first time Uncle Hans pushed his teeth out of his mouth when I was little. :) He was a funny guy. He also helped take some dents out of my first wreck and I am grateful for that. He will be missed.

“ Hans and Sharon Kroll were kind and helpful neighbors to my parents, The Loves. I remember when Hans lent me a hand and fixed a broken headlight on a car I borrowed from my Boss! Hans and my Dad fixed it like the crash never happened. Rest in Peace Hans. Kroll family you are in my prayers.

“ Hans was a kind hearted fun loving guy. He always had the funniest stories. He helped country-fy me. He'd waive me down as we were cutting our lawns and educate me on the proper use of my John Deere. I would hear a ruckus in the back of the property and he'd be in his sandblasting "spaceman" suit blasting a car on blocks. I'd stand there and he'd stop, take off his space hat and tell some sarcastic joke and we would laugh. RIP neighbor!
