“ *Is with sadness that I learned of Chucks' passing. Have known him close to 60 years, I remember hunting pheasants with my Dad and Chuck back in the '60's and his working at Ferris Standard station. Visited with him a couple of times since late '80's and enjoyed chatting with him.*

Jeanene and I send our condolences and prayers to the family.

“ Best dad in the world. You gave all of us so much and gave to the community too. You didn't make 90 but came damn close to it! I miss you so much. Ride, drink, eat and have a great time old guy. Rest in peace. You were the first man I loved and I will always love you.
