“ We are so saddened by your and this family's loss with the passing of your wonderful loving father (our Uncle Harold). He had that classic wit which only the Shelley family continually displayed and which will be missed. It gives some peace that now the Shelleys are once again together and probably having a grand celebration. Along with such fond memories that we cherish and hold near and dear to our hearts. With our deepest condolences and finding God for your peace. We love you so much, Uncle Ben, cousins Gavin, Lisa, and Evan Vizcarra.
