“ *To the Pettet family,  
Perhaps you already know this, but when I spoke about "Aunt" Helen to a friend whose relative is in the same nursing facility, he told me that she hand-signed a personal Christmas greeting to each resident of the nursing home in 2013. Blessings, Anella McFee*

*Ron & Dave - Your mom & dad were very special to Mike & I. I can't think of on without thinking of the other. When we still lived in Indiana we would take drives every once in a while on a Sunday afternoon. About once a year we ended up down at your mom & dad's. They were always so gracious to us, even though we were unexpected company. We always enjoyed visiting with them. They were always so much fun. I wish we could be there to give you each a hug, but know we will be thinking of you & your families over the next several days. Love, Jeanette*
