“ My sincere condolences and Helen will be in my prayers. My dad, Paul, and Cub were first cousins. We would visit with Helen at many a family reunion and I have very fond memories of her.##imported-begin##Robert and Jan Trulley##imported-end##

“ Larry, Cubby, and Bob,
Sorry to hear about Helen's death, I understand she had been in poor health for awhile, however the passing of our loved ones is never easy.

Helen was so good to my mom and dad, Jean and John Harvey, I enjoyed the times we all got to spend together. We spoke of all the family members and it was always fun to hear about the rest of the extended family members.

Our thoughts and prayers are with all of you during this time. I hope you find peace at knowing others are thinking of you.
