“ *Henriette was my boss for 14 years at Altschuler, Melvoin and Glasser from 1982 to 1996. She had a heart as big as Texas and helped me in so many ways during our years together. It was because of Henriette's wisdom and leadership that I was able to step into managing the Report Department when she retired. She groomed me well. Besides being a great manager, Henriette was a wonderful and supportive friend and she built a family atmosphere in our department that remained her legacy well after her retirement. She was very loved!!*

*May her large family be comforted at this time of great loss. She was a champ and persevered through years of ill health because she loved so much.*

*Please know that if I were still in the Chicago area, I would be there with you to honor the only person I have ever called "boss."*

*My thoughts and prayers are with you.*

*Love,  
Jeanne Graden*

*I was a proofreader for Henriette, then Jeanne. Because of them it was an efficient and amiable department ; those years are among my fondest memories. I always think of Henriette as Mother Christmas because she enjoyed the season so much and always picked out the right gifts. Also our department had large windows with a beautiful view because she persuaded the designers that typists needed the light. ( many of the accountants were in dark cubby holes).*

*Rest in Peace, Dear Lady*

“ *Grandmommy meant the world and more to me. I have so many wonderful memories to remember her by. I will never forget the smell of her perfume, or the way her face lit up when I came to see her, or making blueberry muffins with her before the sun came up, or her letting me play dress up with her jewelry and Estée Lauder make up..but most important, how much she loved me. She taught me to work hard and never take your loved ones for granted. I will miss her very much but she will always be in my heart...ich liebe dich! xoxo*
