“ We love ❤️ you Aunt Adna. We have so many treasured memories of Uncle Hobie. The one I think of often & it always brings a warm smile to my face & heart is the one when you guys were spending the weekend with us you were trying to get Hobert to lie down & take a nap you said Hobert go in there & lay down you're killing me sitting here looking at you nodding off & he so politely said Well don't look at me then Adna. Love him so much. Praying for you. All our love. Andy, Ruth Jean, Sissy, Arnold & Cieradon

“ I have many memories of Hobert back when I was a kid hanging around his house with Gary I think we probably drove him crazy at times but he was always good to me when I was there. He was a good person and I am so sorry to hear of his passing. May God grant peace and healing to all his family and friends. Go rest high.
