“ Hello, my name is Tiffany. I am the one that pulled Hope out of that pond/lake. I am sooo sorry i couldnt save her. I tried so hard and never gave up. I pray for her and her family. I often think of the little boy. Her grandson who was there when it happened. I feel so bad he had to see that. Im sorry i couldnt make it to her wake or funeral.

“ Its hard to know what to do.
I hope your family is doing good, even at a time like this.
I pray that god welcomed you with open arms, I love you sweetie, may you fly in the heavens forever.
I'll always watch for you dancing in the sunshine, i'll watch for you walking in the clouds, when the wind blows your voice will be the sound.
