“ Sorry I will not be able to be with you, but all of you are in my thoughts. Steve and I will be out of town. I often think of my wedding cake which Inez made for my wedding with dolls dressed in my wedding colors cascading down the side of the cake. This was her wedding gift for us.

“ I met Inez and her husband Bill about 25 years ago. They were such an awesome couple. She was a true lady and he was a true gentleman. They loved their family and adored their grandchildren. The sacrifices she made and the strength she had were admirable. This world would be a much better place with more people like Inez. My life has been blessed by knowing them both
