“ my son was born in 1978 and we wanted to find someone to come to our house and take care of him. that request was answered by Irma. She walked him to and from school and allowed him to be in his home instead of a daycare. Irma watched our son for about 5 years. she was a very special lady and never met a stranger. our family was very grateful for her. You have our sympathy. Rebecca green (the late Gregory green) and our son, craig of monon.
