“ Dear Pat and family - I was terribly saddened to come back to work after some vacation time to hear about Jack's passing. His smile and laugh, infectious!! It was an honor and a privilege to be of service to him and talk to him every week. I take comfort in knowing that a tough cookie of an angel is watching over us. Sincere sympathies to you and your family.

“ Here was a man I only met by phone, and through those around him who I love and who loved him. I have a respect for him gleaned through others, and I believe that is an extraordinary tribute to his good life. The race was well run, Jack, you good and faithful servant.

To my beloved husband Jack.. I continue to thank God that you came into my life, when I had almost reached the end a long downward spiral, both physically and spiritually. You lifted not only me back up, but the whole family.. Your strength and love was something I had never experienced.before and I know you were sent to us for a reason. I am thankful that you are no longer suffering, but there is an emptiness that can never be filled, remaining here. Love forever and always....Pat

“ I Dont even know where to begin. I guess I can start by saying that he was the life of the party, always there to put a smile on your face even in the hardest of times. Jack was so focused on his (our) family and was always involved in one way or another. I will miss all the times him and I would be in the garage wrenching on something or just hanging out drinkin an ice cold Dr.pepper, I almost swear he had that running thru his veins lol. He loved to fish, go to the casino and let's not forget camping where he fell in love with those double juicy sno-cones! It didn't matter how long you may have known jack whether 5 minutes or 5 years he always made conversation and was always friendly. I remember the first time I met my dear friend, he was making us bacon wrapped filet mignon on the grill (little did we know at the time that his favorite meal was spaghetti on top of mashed potatoes). I will leave you with this, he was the most devoted g-pa any child could EVER ask for, the best husband to Pat, the best father-in-law I could have ever asked for and the best friend anyone could ask for (as well as WES who was close to him) He will be greatly missed by many. WE LOVE YOU JACK!!!!!! TILL WE MEET AGAIN MY FRIEND!!!!
