“ *Jack we will miss you so very much, I will always remember the Bible study at your home with you and Marylyn and the rest of our group friends, you two always made it special each visit to your home.*

We will miss the Holiday Bible studies there especially because of the festival ways you two decorated the house inside and made us all feel special.

“ *Sending condolences to the family that will miss Jack. My memory is of a day in 1962 when he came with a group to interview for teachers in South Holland. I was hired and enjoyed a teaching career of about 30 days.*
