“ Ed, Kristin, and Amanda, thank you so much for sharing Jackie with us! Our hearts are with you and we send love and support to you, all your families, and all the Stath and Goetz families. We feel honored and blessed to have been allowed to walk a little of Jackie's journey with her. She was always so kind and fun but, most of all, she was a remarkable woman of faith. She told me that, when she learned of her MS diagnosis, she said, "I don't have time for that. I have babies to raise!" She never gave in to MS, never complained (truly!), and never let her disease define her. She lived HER life, loving all of you and being the best wife, mom, grandma, sister, friend, aunt, and cousin that anyone could be. She taught me a lot about enduring and persevering, all the while with a smile on her face, quietly making life beautiful for all those with whom she shared it. She was an incredible woman and I am better for having known her. We all are. There is no doubt in my mind that she has been fast tracked to Heaven. She was the perfect example of how we are all meant to live our lives. We mourn with you. We also rejoice with you, knowing that Jackie has received her eternal reward and is now smiling her sweet smile as she sees God's face. All our Ohio family sends you our love, prayers, and support.
