“ Bobbi Jo and sisters,

So sorry for your loss of your mom. She was such a kind and caring person. I have many memories of the practice bus dropping us athletes off at J and Js so we could call home. And of course that led to many snacks eaten as we waited. It was the first gas station where I learned to pump my gas.

Jan always had a smile on her face and was so patient with all of us kids lined up to use the phone as she and John were trying to run a business. They took time out for everyone. God Love You, Jan!
