“ Dear Tammy, Alexa & Bradley & Gma Linda~
My words & sincere heartache absolutly cannot understand, why God choose to take such a wonderful, loving a great man that was so young. There are no answers..... He was SOOOO loved by all of you, and sincerely touched so many people's lives. He was always there to repair Alyssa's bike, and could fix anything that was broke. Now our hearts are all broke, by your loss, and we don't know how to repair that. I will miss your smile(big grin) & your wave as I pass your house. YOU are one in a million , Jay. We will keep you alive with all the memories, thoughts & funny stories....YOU will always be missed and loved by many. I adore & love you, Tammy, Alexa, Bradley, & G'ma LindaAlways in our hearts,
