“ I met Jeff at Monsanto Corp., in Remington, IN., where I worked until retiring in 2015.
We shared our college football experiences: he played at Franklin and I played at Valparaiso.
I was 3rd generation St. Louis Cardinals fan, so we had that in common too.
He was good conversationalist and humorist.
He will be missed.

“ I met Jeff at Royal Oak around three years ago. I moved recently and a co worker contacted me about his passing. They knew he was one of my favorite customers. I watched his amazing transformation over the last two years. I'm so glad I got to tell him what an inspiration he was to others! I didn't know Jeff on a personal level, but I was so saddened and shocked of his passing, I could only imagine how his family is mourning a great loss. The world should too because it lost a beautiful soul. Prayers to the ones he left behind

His contagious laugh and sense of humor, the discipline and dedication that he has shown over the last year with his health, and the kindness that he showed to everyone.
