Joan and I were classmates in high school, we were in the same typing class, she loved to have a race and see which one of us was the fastest typer, of course she always got a couple letters more than I did in a certain time frame.

We had a lot of fun together in our school years and I will never forget what a true friend she was.

You will be missed, Joan, but never forgotten!

“ I can't remember a time in my life that Aunt Joann was not a part of.
Being the oldest Grandchild on the Styck side we spent a lot of time
together, whether it be baby sitting for my cousins, playing our
music instruments together to her part in my childrens lives, my love
is very strong, it is like I'm missing a parent too, she will be missed
greatly!

“ So sorry for your loss. I had not seen Joann for several years - not
since working together at Super Crost, but always remember her
smiling face. She was a great co-worker - always enjoyed her
company. May God Bless!
