“ Rhonda, you and your family have my deepest sympathies!!! Joe was a great friend and a bigger person!! He obviously loved his family but also loved life in itself. As most mentioned Joe smiling every time they saw him. I was lucky enough to be around him growing up, but what I will miss the most will be his infectious laugh! He could make a crowd start laughing just from his outgoing laugh. We had so many great times in high school and after, through golfing leagues and just socializing!! I hope you can quickly mend the pain in your heart!!! Joe will be deeply missed but never forgotten!!! God bless you and your beautiful family!!

“ Sorry for your loss from Australia. I did not know Joe, but in every photo he has the biggest smile of anyone so he must be keenly missed by all. I sought out this page from a tribute made by a YouTube personality, Taryl fixes All, who obviously feels this loss enough to publish it online. Many thousands of viewers also now know how much this man meant to you all. Deepest condolences in such a difficult time.
