“ Roxie, My heart is hurting for you & as much as I wish I could take away your pain I know I can't 💔. There is one thing I do know though & that is that God will give you comfort & will hold you tightly in His arms & get you through this. You are blessed with so many good memories & even though we never had the chance to meet him I know & have heard what a good man he was from you & that he must have a special mansion in heaven right now surrounded with beautiful greyhounds 🐕💕. God Bless you dear friend & if you ever want to talk I will always be here no matter what time it is day or night 💜
