*The world lost a great man Monday night
It is comforting to know that he is now in the arms of our faithful Savior
Jesus Christ*

*John Kaluf was more than just a mentor to me, but he was a great
Christian example, friend and someone who took a chance on training
a scrawny twenty-something year old kid with no mechanical
experience to not only learn the trade but also take over the reigns for
the business he started in 1969 ,(then called Polar Refrigeration).What
helped me the most with taking on this business is that he was very
patient and was also an incredibly skilled technician,so learning from
the best in the business is always a huge plus !*

*I will always be grateful for his friendship and generosity and look
forward to meeting him again someday in glory! I am truly thankful to
God for leading me to John and this business*

*His Lord said to him,
"Well done, good and faithful servant;you were faithful over a few
things,I will make you ruler over many things.
Enter into the joy of your Lord"
Matthew 25:21*
