“ *Mrs. Peterson & Family,
We were so terribly sorry to hear the news of Johns passing, Just yesterday (October 2, 2015) we stopped by to see if john had any corn. Your daughter told us the bad news. We were shocked.*

What a great man John was, always a smile on his face and so friendly and a kind man. He loved his flowers and i think just planting and growing things. We will miss him so much.

My husband had a stroke 8 years ago and is limited to what he can do, and cant talk, but if you need anything please let me know. Our number is 956-3149. after all God put us here to help one another....God be with you all.

Rest in peace John...

“ *John was a great cousin to have just 4 years older. My son Jason and I lived with my Mom & Dad until Jason was nine. Many a day he would be playing over a John & Corrie's from morning until night. John was a strong male influence for many years that we lived there. Always patient...*
