“ When a loved one dies, the family and friends feel a great loss. As a community volunteer, I hope to share an encouraging thought. In the Bible book of Job 14:7,14,15 a large door of hope is opened. It says, "For there exists hope for even a tree. If it gets cut down, it will even sprout again...If an able-bodied man dies can he live again?... You(God) will call and I myself shall answer you. For the works of your hands you will have a yearning." Yes, the Creator longs to bring back to life those who have died. What a wonderful promise and sure future for those asleep in death! Please accept our deepest sympathy during this time of loss.##imported-begin##Jackie##imported-end##
