“ Dearest Joy and family. I don't know to tell you how sorry I am for this Earth's loss and Heaven's gain of Jose'. I'm honored to have met him.His warm smile and honest eyes will be sorely missed. I pray that the girls will have comfort knowing that their Gardian Angel, Jose', will always be with them. He's a very proud dad to his little angels on Earth. You have so much support and love and prayers from our family. You've been a huge support to our family. Heather sends her deepest sympathy to you and your family. “ Jose was a wonderful brother-in-law. It was so special to have him in our family, especially because when he was around, my dad had his son, and I had the brother I always wanted! We will miss him terribly. Such a life unfinished...My heart breaks for my little nieces, knowing that they have to grow up without their loving Daddy. He will be in our thoughts and prayers and will be alive in our memories, always.##imported-begin##Danielle Stepanek##imported-end##

“ He was a beautiful man who graced us with his love, patience, kindness, and humor. His work ethic, energy and drive was unmatched. The way he found contentment in what he had and made the best of things while finding enjoyment is an example he set that I continue to admire. He was an amazing husband, father, son, brother, nephew, uncle and friend. My life is better for having him in it. These last two weeks I helped my sister take care of him as it was quite difficult due to how sick he was and could not be alone; and I want to say that it was an honor to know him, love him and help him.##imported-begin##Amy Stepanek, sister-in-law##imported-end##
