“ *My deepest sympathies for your loss. I have so many great memories of Joe. I remember him performing his magic tricks for us as kids. He would let us do some cleaning so that we could earn quarters for the video games and pool table at the bowling alley and he was always a great listener and friend. Although I haven't seen him in many years, I will always remember how wonderful he was. My thoughts and prayers are with you.*

“ *My condolences to the Nesius family! Even though Joe was 3 years younger than me he always stopped to talk when we ran into to each other in Walmart. Prayers and thoughts are with your family. Rest in Peace, Joe!*

“ I am sorry for your loss. He was a good friend, helping me with my girls when they were young. He taught them bowling even buying them their first bowling balls. He will always be remembered and loved by my girls.

“ The world has lost a pretty amazing soul and he will be dearly missed. I loved bowling down at Joe's place. Watching Joe do magic tricks. Whether it was with coins or pool balls and trick shots. Joe and his place was one of my favorite parts of Remington. And I can't see Remington being the same without him. Much love and prayers for the family!!!

“ *Joe and my dad, Tom, were friends when I was growing up. I spent a lot of time at the bowling alley when we lived in Remington and have many good memories. Joe always seemed to enjoy all of us kids being there and bowling or playing pool.*

“ *Joe was an extraordinary man. Funny. Fun. Magical. About twenty years ago I was heading up a conference. The theme was "The Arts". All those helping me had so many ideas and knew so many artists. Long story short.... Many of those folks that knew so many artists... didn't really. I called Joe. He accepted right away! Needless to say he was the hit of the night!!! Thank you, Joe!!! May you rest in peace and I'm sure you will provide many smiles in heaven.*

“ *His bowling alley was always our local hang out in Remington. He would always go back the the pool table and snatch up the cue ball in the middle of a game and do great magic tricks with it. I remember seeing his act in elementary school when I was just a lil kid. Heck of a guy!*
