“ I am going to miss Judy. We have been friends for only 4 years. I loved her smile, her sparkling personality and the twinkle in her eyes. She was a good person. Always ready to help whoever needed it. She loved her church and participated in many activities, helping out and doing what was needed. She loved it. We met twice a week line dancing. We laughed and went to different functions together. We had fun, and I will truly miss her. I love you Judy, may you RIP.
