“ *Judy, you were a beautiful, kind spirit. My fondest memories are the summers on Maxwell St. From up the hill down to Rt.6. We owned that block. We knew every nook and crannie when it came to hide and seek. The only traffic on that street was all of us cousins laughing and playing. In 50 years, we won't remember fun from the internet or our phones. We never forget wonderful times with family. I will see you again someday soon. Until then. Love Nancy Wallace*

“ Aunt Judy was a very loving, caring and nurturing person. She loved all people and animals. She was always quick to discipline the kids and grandkids but I always remember hearing a smile in her voice as she used each of her son's first and middle names, sometimes repeatedly, to correct them. She will be genuinely missed by all. I will be sure to save a spot for her at the table during our next trip to the ocean. Love, Tami & Shawn

“ *Judy will be missed by our Family. She was an excellent candy maker, especially around Christmas. She was always there for anyone that needed anything. She was up early every morning ready and expected everyone else to be up to start the new day and we know that for a fact. She was an excellent care giver for her mother along with sisters Shirley and Charlotte. Always had a smile for those deserving one. Always in our hearts.*

“ *My condolences to the entire Scholl family. Remember now y'all have an angel watching over you everyday. Your memories will help ease the pain of your grief, the pain of grief will eventually subside but the memories will be consistently strong forever.*
