“ I am deeply sadden by the lost of my dear childhood friend. Judy and I had known each other for fifty - three years. She was a kind, gentle soul, and would do anything to help her family and friends in need. At this time of great loss, I encourage you to draw on your strength and the strength of your family. May God bless you and your family during this time and always.

So very sorry for your unexpected loss. Judy was a wonderful woman who loved her family so mightily and who would do anything for her family. It was a joy to know her. May you find comfort in knowing there are those who share in your grief and loss and are keeping you in their prayers. "When a loved one becomes a memory. Those memories become a treasure", author unknown. God bless and keep you.
