“ *I remember when I was a little girl, Kate & Dick lived in an apartment upstairs from Sis & Jim(my Sisters 1st husband) they were good friends and did a lot of things together. Of course I got to go along sometimes. Always had fun with them. At the time I thought Kate looked like Shelly Winters, and I told her that. Lots of good memories of Kate. Will miss her.*

My deepest heartfelt sympathy to all. Loved Kate so much,I have lots of good memories, especially when she came into my shop, for many years. But lost her when Jean got into the business. Which was fine. Love to all.
