“ I used to visit Kathleen when she was still at the farm. She would show me her crocheting projects and the lovely work she could do with a crochet hook. She was such a sweet lady and we have such good visits, even after she went to live at the nursing home. She will be greatly missed by me and I will treasure my memories of her.

“ *One of the things that I will always remember about Aunt Kathleen was allowing her daughters and the girl cousins to sleep on top of the train car when we got to sleep over. She was a hard working wonderful person and I will miss our recent visits watching the hummers, squirrels, and birds.*
