“ I got to know and love Kathy many years ago. She worked with my husband at Meridian Ins. here in Valparaiso. We helped her make the big exciting move into Chicago. She eventually got her dream apartment on North Lake Shore Drive overlooking a harbor and such a great view of the Lake from her 23rd floor. We had many trips together thru Chicago streets and adventures walking in her neighborhood. She loved going to the theatre. The Christmas windows and long walks thru Lincoln Park Zoo. She was an expert in finding our way around Chicago and contributed articles to Trip Advisor blog. She made an exciting trip to Paris . She helped a small group of our friends celebrate my 50th birthday by booking us on a boat tour of the Chicago River, 25 years ago!! We went on a number of trips to the museums in Chicago, Kathy loved the Art museum. She loved living in Chicago but she felt that she really should return to the family farm and to her Mother whom she adored helping and working on the lawn and garden care. Our last few years were mostly quick visits and phone calls due to life style changes and health issues.  
We both will miss her kind and helpful presence in our lives.

“ Kathleen and I were friends in H.S. and for awhile after school. As Bobbi Doll mentioned she was very talented. I saw her when she worked at Stracks but things never worked out for us to get together, she will missed by many. Cathy (Ailes) Frinkel

“ I have many good memories of "hanging out" with Kathleen during our high school years. I always though she was so smart and very artistic. We lost track of each other after high school...life got in the way. I still think about her often and am sad to hear of her passing. I had always hoped we'd reconnect to reminisce. Hugs to all.
