“ My memories with Kathy began in sixth grade when I moved to Rensselaer. They are some of the most precious memories I have. We shared clothes and made spaghetti on a Friday night ~ her idea... we made quite a mess in the kitchen, too. We laughed as she mastered driving a stick shift... we laughed a lot! Not having a lot of options, we would drive through the middle of town in the yellow pick-up her parents let her take for the night - listening to loud music - both hands on the wheel and then her index finger would come up to say hello to whomever just passed on the other side of the street - she would be smiling... always... and, I would just be happy to be sitting on the passenger side hanging out with her. Without Kathy's friendship I would have been very lonely... Kathy and Linda :-). She was a gift of friendship to many, not only to me... that's how she was... one of those people others loved to be with. She has a special place in my heart, as well, it's all hers... I couldn't push it out if I needed the space! Barb Chesak

“ *Kathy's friendship was a blessing to me, she will always hold a very special place in my heart. I love her dearly, just like a sister. She and I met at the Crown Point Post Office, Kathy was a hard worker, and she was always there for me, offering support and humor with her beautiful smile, huge heart and girlish giggle. She always watched out for me and was always willing to help me without a second thought. Kathy understood people and she accepted everyone for who they were. She was there for me when I needed her most even during her own hardest times. She was one of my best friends and she will live on forever in my heart and soul.*

My deepest sympathy to all of her family whom she loved so very much.
