“ There are not enough words to describe Dr. Ahler's importance to me and my family. A good and honorable man, he provided the best care needed by his patients. Just four days prior to my mother's passing in May, 2015, while struggling, she looked at me and said, "Dr. Ahler would have taken care of this - of me. If only Dr. Ahler was here." Dr. Ahler was the best, as was his wife and their family. My deepest condolences to the family. The memories of your father and mother will always be with me. Please take care as you lay this wonderful man to rest.

“ Dr. Alher was the doctor who removed my appendix about 44 years ago. I had the viral flu at the same time. I had 105 degree temperature and he took care of me along with nurses and other medical staff. This was at Christmas time. He came in the middle of the night to perform the surgery. He was so kind and gave me a rose in a vase when I was discharged. I know he cared about people. Hugs and prayers to his family.

“ *What a pleasure it was to have Ken Ahler as a part of the Medaryville High School Class of 1958. Memories of our four years as a part of the MHS student body brings back thoughts about the best of times. The way Ken approached both his life and his education inspired those of us who knew him to aspire to live our lives in ways that would be of benefit to those with whom we came in contact throughout our lives. Without question, Ken’s was a life well-lived!*

“ Doc passed away on the same day as our precious Tyler just 4 years ago. Doc was so passionate for his beliefs, his church, his family, and his friends. I remember how he wept at hearing of the loss of our son, who was awarded Eagle Scout just 2 years before his passing. His love for Margaret was something to behold. I felt so blessed to have witnessed it first hand. I know, he is again holding her hand up in heaven and is now at rest. Their love and faith they shared here on earth tells me that. They raised 3 beautiful children and were blessed with so many grandchildren and great-grands. Doc and Margaret leave behind such a legacy of a loving and caring family. God has gained yet another grand soul. Rest in peace Doc. To the whole Ahler family, please know you have our most heartfelt sympathy...
