“ *Dad, I miss you so much I can't believe it almost a year and half already. You were my best friend and a good man! The world is a worse place without you. I will do my best to take care of the family and mom. Please guide me when necessary. I could write a book right now but won't. Look over all of us. Things just aren't the same without you. I love you dad! Missing you so much.... Jr*
