“ I am very sad to hear of Kent's passing. I knew Kent through his musical career. We would often go to hear him play in various groups, when we weren't playing. I always appreciated Kent for his kindness, his amazing musical talent, and for being such an welcoming person. Always got a hung or hand shake, always was so glad to see everyone. He will be truly missed by many. My sincere condolences to the family.

Kent always played at the monthly birthday celebration at our facility. He played so well on the guitar that we were all amazed. There will never be another Kent for us. He's playing for the angels now and we've got to know that he's happy with his new fans. Sympathy to his family and close friends.

“ *So sad to hear of Kent's passing! He was a good friend, fine musician and gentle soul. My time spent with him in Higher Ground gospel group is a memory I will never forget He so loved making music and was so happy to share his talents with with the extended care facilities all over the State. I loved talking to him about it. His eyes would light up! Rest in peace Kent, and enjoy being in God's choir!*

“ *When I started in the insurance business in the mid-80s, my office was right across the hallway from Kent. Many positive words and attitudes were thrown my way. He was a great role model and influence for me to follow. The last time we visited, he was playing music at a nursing facility where my parents resided. We shared some great memories and laughter. Peace and comfort to Lynette and family. Heaven is brighter and filled with great music. "Say no more!"*

“ Kent was a long-time customer and friend of McGuire Music in Lafayette. He was a talented musician with a great sense of humor and personality. We will certainly miss his visits to our store. As Kent would often say, "say no more".
