“ John and Family! Dolores and I know John as a Brother in Christ for the past 18 years in Jasper Ga. John's witness to Christ's Grace is prevalent throughout our Town. We never met Kimberly, but knowing John's love for family this finality of saying good bye to one of his loved ones is extremely difficult. John knows that God is good all the time even in times of grief. For sure your Brothers of the North Georgia Men's Fellowship are praying now sending their love to you and Kimberly's family and knowing the Lord's arms are around you because He is there every second to give you strength, peace and hope.
We look forward to your coming home.
In His love and ours, David, Dolores, and Courtney Johnson

“ Kim was my oldest sister. She was the tough one that would have your back when and if you ever needed. She was a firecracker and I love her and will miss her. Love you Kim!

“ Kim was my big sister, who was always picking a fight, but wouldn't let anyone else pick a fight with me. Even though Kim was older than me, there was always 1 month out of the year that we were the same age, so she couldn't tell me what to do. She was always there for me when I needed someone to talk to or someone to make me laugh, especially while I was going through cancer. I have so many memories of Kim, but really wish we had more time to make more.

“ After my chemotherapy, I was finally able to go to the Kingdom Hall. In the bathroom she had a worried look and I knew she was trying to think of something encouraging to say. Suddenly a smile crossed her face and she grabbed little Debbie's hands and walked her over to me. And later brought cabbage rolls to me for dinner. Knowing her changed me forever. Through her struggles I learned compassion for those struggling, joy in the simplest things in life, a love that knew no bounds and what true forgiveness meant. My life was enriched from knowing her and I will miss her the rest of my life until I see her again.
