“ *Kimmie I have known you and Amanda for ages it seems, and can't even fathom losing my sister. My heart is broken. I remember all the fun times in choir and at my house. Rachael and Amanda practically lived between our houses and always came home with stories of the fun you guys had. You will be greatly missed!!!
Amanda, Dawn and Marcia I am so very sorry for your loss.*

Kimie.... I thought the world of you and your sisters. I always felt like you all were still part of my family even if we were never truly family to begin with... I never imagined your mother would have to bury you. Or one day you wouldn't be back to see your boys. My heart aches for her and the family. I hope you rest easy knowing how much you were loved. ❤️

Seen few posts between you and your sisters lately and tbh I was lil jealous... You three were obviously very close and my heart breaks for Amanda and Dawn. I lost a sister Judy Kay... she was a bit older, but I cannot fathom losing Susan...

*please accept my condolences. I wish I could be there... 💔😭
RIP*
