“ I was 5 when my mom passed away, can't tell you how many times i go to this obituary just to feel close&like i know something about her. 15 years later¬ a day goes by I don't think of her. Even though memories are long gone over the years I still talk to her and keep her name alive for everyone we knew. I love you, mom. I wish things were different, I need you a lot of the time. I miss you always.
