You are one of the sweetest, funniest, most upbeat kid I have ever known or meet. You brought smiles and laughs to so many people and everyone around you was always so happy. You were definitely known as the class clown and you always will be. I miss your Kyle hugs they were the best and no one is gonna be able to replace your hugs, or the way you always smelled amazing. I know you are looking over us all and protecting each and every single one of us. I think about you everyday and wish you were here, but I know you are in such a better place where you can be happy. “ Kyle sweetie,
You were one of my best friends & i find it hard to still accept this tragic event. I will always miss your loving hugs & contagious smile. For awhile, you were the only person i could talk to about certain things & for that i thank you. Kyle you were the sweetest person i ever met along with the biggest heart. You wanted to help others before anyone could help you. What i'm saying is that you always will be missed and loved by us. I'm going to miss the way you could automatically put a smile on my face whenever i was upset. This still doesn't feel right hun, you not being here. But i know that you're in a better place now & watching out for the rest of us, helping us to live our lives. Ky i miss you and love you always.

“ Kyle,

I am still in shock over all of this. I did not want to believe your grandma when she told me. You will never know how many lives you touched in your too short of time here on Earth. I hope that you now have the peace you wanted so badly. I sit here and think about the first day I meet you and your mom. You had thrown a toy on top of my house and Jodi came over to see if it was ok to go get it. That started over 6 years of getting your toys off my roof, watching you and Mel get on the bus, playing with my rescue animals, and me telling you to clean your room. Kyle, you will be missed deeply and loved always.

“ Kyle, I loved you like a son. My family will forever cherish all the wonderful memories and fun times we had together. Tara and I spent some time today with your dad, grandma and grandpa. It was very comforting to sit and talk with your family. Yes, of course we were talking about you and all the silly things you did and how your smile could light up the world. You meant the world to a lot of people. They are all missing you dearly. You may be gone from our sight, but never our memories. Gone from our touch, but never our hearts. To Kyle's family we are sending a gentle hug your way, to comfort you, and to let you know that you're on our minds and in our hearts today and always. May you rest in peace, baby boy, and we will meet again some day. Love you and miss you.##imported-begin##Tammy Mick##imported-end##

my dearest Cookie, not a day goes by that you wont go through my mind. i miss you like crazy already. 2-18-10. bad day forever now. you were like a brother. i told you everything. i miss yer bear hugs. ill never forget how just the day before we had a french fry fight. i know yer lookin down at us laughin yer ass off. i know yer up there smokin a blunt with bob marley and running around naked. ill miss the good times. save me a seat up there boo :) love you forever & always! just because you're an angel, didn't mean you had to fly so soon.

SO I WON'T GIVE UP.. NO I WON'T BREAK DOWN.. SOONER THAN IT SEEMS LIFE WILL TURN AROUND AND I WILL BE STRONG. EVEN IF IT ALL GOES WRONG.. WHEN I'M STANDING IN THE DARK I'LL STILL BELIEVE.. YER UP THERE WATCHING OVER ME ..

Kyle Jenness, what an amazing guy. My friend through times that have passed by. No bad words said, never a fight. Fun was always had on Friday night. Courageous and funny, he always knew what to say. His smile could just melt your pain away. No matter how he felt, he always put on a smile. He'd try be happy, atleast for awhile. All our memories? Fun and good. Why they must end is not understood. Life gone from his eyes, his death so tragic. To bring him back, it would be pure magic. I miss him so much, wish he wasnt gone. I can't help but think that i've done something wrong. I cant blame myself, i just wish i couldve seen. Were all the clues right in front of me? No matter what, he's gone, its done. Im going to miss all of the fun. I love him so much, a friend in my heart. I really just wish this week would restart. Ill deal with this, probably cry for awhile. Life just wont be the same without Kyle...

❤️ RIP Kyle Gibson Jenness ❤️ 12-28-93 to 2-18-10

Im going to miss the way you made me smile & that insanely silly face you'd make when I was mad at you. Ilove You buddy. Forever and ever!##imported-begin##Izzy Hernandez##imported-end##

“ I love and miss you Kyle. You were such a sweetheart. It was so impossible to look at your without smiling. You always had a smile on your face. "Everytime I see your smile, it makes my heart beat fast. And though it's much too soon to tell, I'm hoping this will last. Cause I just always wanna have you right here by my side. The futures near but never certain so please stay here for just tonight. I must've done something right to deserve you in my life. I must've done something right along the way."

“ I remember the day you were born, you came into this world pissing all over everyone in the delivery room. When you left us you stepped on so many hearts. I don't think you realized just how many people loved you and still do. I don't know how to be without you in our lives. It seems like a nightmare that I can't wake up from. I'm sorry that I didn't do more. I love you so much KY and will forever miss you. You will forever be 16 and forever be the coolest kid I have ever known.

GOD PLEASE TAKE CARE OF THIS SPECIAL CHILD HE MEANS THE WORLD TO ME AND EVERYONE THAT KNOWS HIM.

I WILL ALWAYS LOVE YOU MY KY KY DON'T YOU FORGET THAT!!!!!!!!!!!!!!!!!!!!!!!!!!!!##imported-begin##teresa furnifur##imported-end##

“ My heart goes out to all who knew Kyle. He was such a lovable sweet kid. "To know him was to love him"...that's what comes to mind when I think of what to say about Kyle...aka Kylebunny, as some of us referred to him. I can't imagine all the pain the family is suffering but I know Kyle wouldn't have done this with that intention. I know he loved everyone who loved him. I am gonna miss that kid!###imported-begin##Michelle Van Hoose##imported-end##
